EXPERIENCE

Phoenix Medical Systems – HR Trainee Generalist.

Key Compliance & Closure Handling Experience:

1. ESIC Closure & Compliance

- Identified pending employee contribution dues, arranged supplementary contribution payment.
- Drafted submission letters and attended ESIC personal hearing.
- Successfully obtained closure notice and created sub-code for Pondicherry employees.

2. EPFO Closure & Employee Transfer

- Drafted and submitted closure request to EPFO authorities.
- Ensured smooth transfer of employees to the sister concern unit.
- Obtained official EPFO closure confirmation.

3. Factory Licence Closure & Renewal

- Prepared closure request letter with required documents: licence copy, transfer letter, affidavit, attendance & salary statements, and EPFO closure proof.
- Attended personal hearing with Chief Inspector of Factories and obtained closure approval.
- Facilitated new licence application by moving the file with required compliance documents.

4. Day-to-Day HR Activities

- Prepared wage sheets and managed monthly payroll processing for contract labour.
- Maintained time office functions: attendance, leave management, and overtime records.
- Conducted salary benchmarking and supported compensation decisions.
- Assisted in recruitment & selection process (sourcing, screening, coordination).
- Performed generalist HR functions including employee engagement, query handling, and compliance support.
